I am in receipt of the above Department of Buildings violation for failure to comply with ADMINISTRATIVE CODE § 28-308 Local Law 87 of 2009—Energy Audits and Retro-commissioning of Base Building Systems. I challenge this violation, with supporting documentation attached, based on the following:

- Proof from the Department of Finance that the building in question is not a covered building as defined in § 28-308.1 of the Administrative Code.
Proof of timely submission as indicated by a confirmation email from the Department of Buildings.
Proof of change in ownership as indicated on a deed signifying new ownership during the year in question.
Proof of early compliance with the filing requirements pursuant to § 28-308.7 of the Administrative Code.
Proof that the owner was granted an extension of time to file the report.
Proof that the owner was granted a deferral to file the report at a later time.
Other reason for challenge. (Please describe briefly below and provide any additional relevant information)
